**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow America to prosper by allowing smaller broadband companies to compete with the giants. This competition is what pushes us to do better, and allow smaller companies to put money into the economy and inspire others to try the same. I rely on local broadband companies because I truly believe that if we try we may reach our full potential and help our community in the process.
